SAINT ISIDORE GIVING LEVELS

Garces FFA Booster Club – St Isidore’s was designed to improve the overall Garces FFA program and experiences as it relates to Agricultural Education and Leadership for current and future Garces FFA students. We have BIG DREAMS for our FFA Program, many of which have already been started! Some of these are: scholarships for our graduating seniors, future programs added to the curriculum, improved tools and equipment, paid admission and expenses for student leadership events and conferences, and new Agricultural experiences. In these ways, we will help grow the next generation of leaders who will change the world. We work alongside with the Garces Memorial Ag Advisor and its student officers. The Booster Club is made up of parents of Garces Memorial High School.

“No time is ever lost by prayer, for those who pray are workers together with God” – St. Isidore
