

# PATHWAY TO SUCCESS

## AGRICULTURE FOOD AND NATURAL RESOURCES AFNR

The AFNR course is structured to allow students to have a variety of experiences that will provide an overview of fields of agricultural science and natural resources. Students will investigate, experiment, learn about documenting a project, solving problems, and communicating their solutions to their peers. The course includes Agriculture, FFA, SAE, Communication Methods, Science Processes, Natural Resources, Plants and Animals, and Agricultural Mechanics.

AFNR class will meet freshman physics requirement

Activity

# FLORAL DESIGN AND MERCHANDISING

Floral Design and Merchandising is dual enroll through BC. In this class students get hands on experience working with flowers and learning about the elements of a floral arrangement .

STUDENTS WILL GAIN A BETTER UNDERSTANDING OF FLORAL INDUSTRY. STUDENTS MAY ALSO GET THE CHANCE TO HELP WITH ARRANGEMENTS ON DISPLAY AT VARIOUS EVENTS. THIS CLASS ALSO MEETS THE ART REQUIREMENT.

# AG SALES AND MARKETING

This class is offered to third year members as a dual enrollment class at Bakersfield College

In this course, students will be introduced to business management in agriculture, which applies math and writing skills that have been taught previously.

Shark Tank Entrepreneur Projects

Opportunities for application of leadership skills are provided by participation in FFA activities, conferences, competitions, and sales related career development events and proficiency awards

Students will learn practical and engaging activities, work on many projects, problem solve to develop and improve business and responsibility skills, and create business plans to solve local issues. They will create plans that will be implemented in the planning and execution of national FFA week and various other FFA events.

# AG COMMUNICATIONS AND LEADERSHIP

## Ag Communications and Leadership

This class is taken by Juniors and Seniors who wish to be part of the leadership team in order to better their chapter by making impactful contributions. Anyone who is on the officer team should also be in this class in order to be apart of planning chapter meetings and events. This class is also dual enroll at BC

## 2022-2023 Officer Team

## Fundraiser

This class is student driven and heavily dependent on every student's participation. Come with an open mind ready to be creative. You set the tone for the chapter. Students in this class will take charge of planning all Chapter FFA events and meetings along with the chapter officer team.

Course Description: Agriculture Leadership and Communications will provide students with fundamental skills for success in agricultural careers and team environments. Students are encouraged to further develop their leadership skills by actively participating in the FFA program and the many opportunities that it has to offer.
