

Garces Annual Fund Drive

Do you know what the Annual Fund is?

If you asked our students, teachers, and even some of our alumni, you might hear a few guesses — but the truth is, many people don't know the full impact of the Annual Fund at Garces Memorial High School.

The Annual Fund is vital. Tuition alone doesn't cover the full cost of providing a Garces education. Gifts to the Annual Fund help bridge that gap and ensure our students have access to the resources, opportunities, and experiences that allow them to grow in faith, scholarship, and service.

The cost to educate a student at Garces for the 2025-2026 school year is \$17,991 and tuition is \$15,500. The difference of \$2,491 is the "GAP" that we cover through our fundraising efforts.

This year, we are asking you to join us in bringing the Annual Fund to the forefront of our community's support. Every gift — large or small — makes a real difference. Together, we can continue to provide the excellence in Catholic education that families expect and that our students deserve.

Enclosed is a brochure that highlights the impact of the Annual Fund and the many ways it strengthens our school community. I hope it inspires you to be part of this important initiative.

Thank you for your ongoing support of Garces Memorial High School. Your generosity ensures that our students today, and for generations to come, can thrive academically, spiritually, and personally.

With gratitude,
