Letter of Welcome

Garces Family,

We address this communication to the Garces “family” with much intentionality. More than just a school, even more than a community, what exists on this beautiful place on the hill is a family of faculty, staff, parents, and students that is grounded in relationships of care and belonging. It is in this spirit that we welcome all for the 2026-2027 school year!

Please take some time to read through this handbook and, should you have any questions or concerns, please let us know. While the handbook does not encapsulate all our goals and expectations, it certainly points us in the right direction. It is our expectation that all who join our community also join us in a shared commitment to our Catholic mission and identity as reflected in this handbook.

Mr. Steven Antongiovanni '76, President, and Ms. Noel Leon, Principal

Important Information Regarding Enrollment and this Handbook

SCOPE OF THIS HANDBOOK

Enrollment at Garces Memorial High School is a privilege, not a right. Ongoing student status is subject to the school's academic and behavioral standards which may evolve and change over time. Decisions regarding academic matters (including but not limited to the issuance of grades), student discipline, and an individual's continuing status as a student at the school are within the discretion of the school administration. The purpose of this handbook is to set forth general guidelines that will assist students and their families in understanding what the school expects of them. The provisions of this handbook are subject to change at any time by the school administration. Questions about items contained in this handbook should be directed to the president or principal.

PARENT/STUDENT HANDBOOK AGREEMENT

Registration at Garces constitutes an acknowledgement that the Parent/Student Handbook is accepted, and that parents/guardians and students agree to comply with all policies, rules, guidelines, and regulations of the school as outlined in the Handbook (including any subsequent updates or revisions of the handbook). Parents/guardians and students agree that Garces Memorial High School has the right, as a religious, private academic institution, to make rules that require specific conduct on the part of the parents/guardians and students. Parents/guardians and students agree to comply with required conduct and to support the policies and procedures contained herein and intend to cooperate fully with Garces Memorial High School and its personnel as educational partners. Students may not attend class or participate in any school activities without this acknowledgement.

RIGHT TO AMEND

Garces Memorial High School reserves the right to amend or waive handbook provisions, and the contents of this handbook are subject to change at any time when this is determined to be necessary. If changes are made to the handbook, parents/guardians and students will be notified in a timely manner. This handbook exists to foster the efficient operation of Garces Memorial High School in a manner consistent with its Catholic mission and identity. The school administration exercises flexibility to meet this objective and has the discretion to take actions other than those specified in this handbook. This handbook is not intended and should not be considered to create any additional rights for students or parents/guardians, including a right to continued enrollment at the school.

GOOD STANDING AND CONTINUED ENROLLMENT

Students are enrolled at Garces Memorial High School on the basis of an evaluation and acceptance that is ongoing. The school reserves the right to dismiss students at any time for violation of any policy in this handbook (whether on campus or off campus) or for other reasons that, in the sole judgment of the school administration, run contrary to the school's Catholic mission or adversely impacts the welfare of the individual student or other students, the school and its employees, the reputation of the school, or the school community.

In order to continue enrollment at the school and/or to be eligible for re-registration, a student must be in "good standing." A student considered to be in "good standing" is one who has not become subject to dismissal for academic reasons, whose record of conduct is at least satisfactory, whose family supports the school faculty/staff and the policies and procedures outlined in this handbook and has met all financial obligations to the school or made satisfactory arrangements for those obligations. Continued enrollment, then, is a privilege earned by cooperative personal conduct and fulfillment of academic requirements and financial obligations.

CONDITION OF ENROLLMENT FOR PARENTS/GUARDIANS

It is a condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any Parent/Student Handbook and contract of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the religious, academic, moral, and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about school operations and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor-driven, disruptive, threatening, hostile, divisive, or constitutes an attack upon the character and good name of school personnel or the school itself.
3. Parents/guardians and students may not send or post content on email, text messaging, or social media (e.g., Facebook, Instagram, Snapchat, Twitter, TikTok, etc.) that is contrary to the mission and philosophy of the Roman Catholic Diocese of Fresno and Garces Memorial High School.
4. Parents are expected to work courteously and cooperatively with other parents and members of the school community. Difficulties in relationships must be addressed and resolved by the parties themselves. If a difficulty impacts the environment of the school, the administration has the authority to intervene and work to determine an outcome.

5. These expectations for students and parents/guardians are to be met on and off campus and include, but are not limited to, all school-sponsored programs and events (e.g. retreats, athletics, field trips, etc.).
6. The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school and the policies in this handbook. Depending on the severity and circumstances of the event, failure to follow the school's principles and policies will normally result in a verbal or written warning to the student and or parent/guardian. For serious violations of the school's principles and policies, the school's response may be to take disciplinary actions up to and including the requirement to withdraw from school (e.g., suspension of a student, suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc., or permanently withdraw enrollment from the school).
7. The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate disciplinary action without a warning.

HISTORY

In the spring of 1947, ground was broken for a new, 40-acre central Catholic high school located in the northeastern section of the city in a newly created residential area called La Cresta.

On September 7, 1947, the public was invited to an open house for the new Catholic high school. Three days later, on September 10, Garces Memorial High School opened as a co-educational, inter-parochial high school with an enrollment of 150 students. The new school was named for Padre Francisco Garces, a Franciscan missionary and the first European to enter the area known today as Bakersfield.

During the first year, the Christian Brothers were placed in charge of the boys division, teaching grades seven, eight, and nine, while planning to add an additional grade each year. The girls division, plus the tenth, eleventh, and twelfth grade boys, were taught by the Dominican Sisters. The first faculty was comprised of Brother Xavier, F.S.C., Boys Principal, three other Brothers, Sister M.

De Ricci, Girls Principal and three other Sisters. The Sisters continued to commute from the St. Francis Convent until their convent was completed on the Garces campus on February 4, 1948.

ACCREDITATION

Garces Memorial High School enjoys accreditation granted by the Western Catholic Educational Association (WCEA) and the Western Association of Schools and Colleges (WASC). These Associations are non-governmental, nationally recognized organizations whose members include elementary schools through collegiate institutions offering post-graduate instruction. Accreditation of an institution by these associations indicates that it meets or exceeds criteria for the assessment of institutional quality periodically applied through a peer review process. An accredited school or college/university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives clear evidence that it will continue to do so in the foreseeable future.

NONDISCRIMINATION POLICY

Garces Memorial High School, in the Diocese of Fresno, mindful of their primary mission to be witnesses to the love of Christ for all, admits students of any sex, race, color, and national and/or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at this school. Garces Memorial High School in the Diocese of Fresno does not discriminate based on sex, race, color, national and/or ethnic origin, or disability in the administration of education policies, scholarships and loan programs, and athletic, and other school-administered programs.

Decisions are made at the local level in accordance with the principle of subsidiarity. As such, only those decisions by Garces administration that may violate school policy are reviewed by the Superintendent. The principal is appointed by the President and serves as the primary educational leader of the school under the supervision of the President, including day-to-day management of its educational programming.

CHAPLAIN

The Chaplain serves as a sacramental minister and spiritual leader at Garces. As such, the Chaplain plays a pivotal role in the deepening of the community in its relationship to Jesus Christ, service to the Church, and commitment to gospel values. The Bishop, in consultation with the Superintendent, appoints the Chaplain to the school and the Chaplain reports to the President and Principal. The Chaplain does not serve in an administrative capacity and does not participate in personnel decisions, disciplinary procedures, or the like.

Admission, Enrollment and Financial Policies

PARTNERSHIP OF SCHOOL AND FAMILY

Garces Memorial High School respects all faith traditions and supports each and every student in their individual faith journey. However, as a Catholic school, Garces also requires all students (regardless of religious affiliation) to participate fully in theology classes and other faith-formation activities (subject to the restrictions by the Church upon full participation in the Eucharist by non-Catholics). If a student or parent's public beliefs, values, and practices cause disruption of the school's educational climate and pursuit of its Catholic mission, continued enrollment may be denied.

Acceptance to Garces Memorial High School is a privilege, not a right. Parents have a right to apply to Garces Memorial High School for admission of their child (ren), but the privilege of attending the school is contingent upon the parents' acceptance of the school's program of formation and instruction and their willingness to accept responsibility for their portion of the cost of education. Failure to honor these expectations may result in dismissal or non-renewal of registration.

Acceptance into Garces Memorial High School is dependent upon the ability of the school to meet the educational needs of the child. The school may not have all the resources necessary to meet the educational, physical, psychological, and/or emotional needs of an individual child. While the school will make an effort to accommodate reasonable needs, if the needs of the child exceed the resources of the school, the interests of the child may be best served by placing the child in a different educational environment with appropriate resources for the child. Decisions regarding such matters reside exclusively with the school's administration.

DOCUMENTATION REQUIREMENTS

At the time of initial registration, the school will require parent(s) to provide the school with records that establish and verify the student's age, gender at birth, and vaccination history, and whether the student is Catholic and has received his or her Sacraments. As part of the registration, therefore, each school shall require the parent(s) to provide copies of the student's birth certificate, health records including an up-to-date immunization record, and Baptismal certificate (and Reconciliation, Holy Eucharist and Confirmation certificates, if applicable). In addition, the emergency card, tuition agreement, and iPad agreement forms will be due at the time of registration.

PHYSICAL EXAMINATION

Every new student must have a physical examination report on file in the school office by the first day of attendance. The report must be dated within 18 months of entrance. Students may not attend class until this information is on file.

IMMUNIZATIONS

Immunizations can be a complicated topic which may be explained more fully by the child's physician. Every child must show up-to-date proof of required immunizations by the submission of a current California School Immunization Record (this can be provided by the physician). Students may **NOT** attend class until this information is on file.

The California Health and Safety Code sections 120325-120380 set forth current California law on this topic; a summary follows:

- Required immunizations for grades 9 – 12 currently include the following: polio (OPV or IPV); diphtheria, tetanus, pertussis (DTP, DTaP, or DT); measles, mumps, rubella (MMR or MMR- V); hepatitis B (HepB or HBV); and varicella (chickenpox, VAR, MMR-V, or VZV).
- The California Dept. of Public Health may require vaccination for "any other disease deemed appropriate."
- Regarding former exemptions for personal reasons, any student who, prior to January 1, 2016, had submitted a letter/affidavit of exemption on grounds of personal belief will be allowed to continue enrollment or be enrolled, without proof of immunization, but only until the child reaches the next "grade span." The statute specifies three grade spans: (1) birth to preschool; (2) kindergarten (including transitional kindergarten) through 6th grade; and (3) 7th through 12th grade.
- The school will be permitted to temporarily exclude a student who has not been immunized, if there is good cause to believe the child has been exposed to one of the itemized diseases, until the county or city health department is satisfied that the child is no longer at risk of developing or transmitting the disease.
- Questions regarding immunizations should be directed to the principal. The following website provides thorough information: www.shotsforschool.org

TUITION COLLECTION

Tuition is managed exclusively via the FACTS Management Company. Parents may select one of the following options:

- One payment: July 2026
- Two payments: July 2026 & January 2027
- Four payments: July 2026, October 2026, January 2027, April 2027
- Eleven payments: July 2026 – May 2027 (registration fees for the next school year are due in May)
- If an account is delinquent, a student may be excluded from class until the account is brought current. For special circumstances, arrangements must be made with the principal and president. ***All monies owed to the school must be paid before a student can enroll for the following year.***

FINANCIAL AID

Garces Memorial is committed to offering every student in Kern County the opportunity to receive a Catholic secondary education. For this reason, the Garces Financial Aid program was established. Garces Memorial High School provides financial assistance to those families who demonstrate financial need. FACTS Management Company manages all applications for financial aid. Garces provides only need based assistance; it does not provide athletic or similar scholarships.

COST OF EDUCATION

Tuition and fees do not cover the actual cost of educating a child at Garces Memorial High School. Families whose financial situation enables them to pay the actual cost of education are encouraged to do so by making "Cover the Gap" donations to the Annual Fund. Every family is expected to support the Annual Fund drive at a level that is meaningful to them given their individual financial circumstances.

WITHDRAWAL

Two weeks' notice by parents/guardians is required before the withdrawal of a student. An exit interview may be requested prior to withdrawing a student. The Registrar administers the withdrawal process. Tuition may be reimbursed only if allowed per the terms of the registration. agreement. Fees and other obligations, including the registration fee, are non-refundable. The school reserves the right to withhold student records until all financial obligations have been met.

Communication

SCHOOL CONTACT

School Office: (661) 327-2578

Office Fax: (661) 327-5427

Website Address: garces.org

PARENT CONTACT INFORMATION

It is essential that parent/guardian contact information is always kept current in the school's database. All parents/guardians are required to meet this expectation.

CONFIDENTIALITY

Members of the staff will not divulge information concerning any student to anyone who does not have a clear "need to know." In disciplinary or academic situations, the only persons who meet this definition are appropriate members of the faculty/staff and the parent(s)/guardian(s) of the child(ren) involved.

COMMUNICATION FROM THE SCHOOL

- Emailed biweekly Garces Memorial High School Newsletter
- Website: garces.org
- Official school social media pages
 - Facebook: Garces Memorial High School
 - Twitter: Garces.Memorial
 - Instagram: garces.memorial

CONTACTING TEACHERS

Parents must not interrupt a teacher during class time, which includes arrival and dismissal time. Instead, parents may request a meeting by emailing the teacher directly. Communications will be answered within 48 hours. In the case of an urgent message, the office should be contacted. Parents and students should never call a teacher at home or on his or her cell phone.

EMAIL USE

Email is an effective way to communicate back and forth between parents and teachers for informational purposes. However, the impersonal nature of email does not lend itself to healthy communication when the topic is layered with complications and tension. At those times, more personal communication such as a meeting or phone call is appropriate. The following guidelines govern appropriate email use:

- Email is an appropriate vehicle for quick, uncomplicated messages to teachers or administrators when time and/or confidentiality are not critical factors.
- Email is **not** an appropriate communication tool when a parent requires an immediate response or when the requested response would be highly sensitive and/or complex in nature.
- Email is an appropriate place to ask questions that require simple, direct answers.
- Email is **not** an appropriate communication for extensive chronologies, opinion statements, critiques, or judgments.

- Email should not be used to avoid a difficult situation and/or when there is possible tension; direct and personal communication is better in those situations.

DELIVERIES AND FORGOTTEN ITEMS

- Any deliveries to students such as books, athletic equipment, or homework must be made in the office and not the classroom. Items should be clearly labeled with the student's first and last name and grade level.
- No professional food deliveries allowed.
- Birthday presents, balloons, and gifts, etc., are not to be sent to the school office for any student; such items will **not** be delivered to the classroom but may be picked up by a parent.

PROCESS FOR CONFLICT RESOLUTION

Disputes in schools are usually due to misunderstandings and differences in opinion. All parties involved in a dispute are expected to manifest good faith in their efforts to resolve disputes by maintaining an atmosphere of mutual respect, confidentiality, and Christian charity.

Every effort should be made between differing parties, through open and honest discussion at the onset, to resolve the dispute. In each case the parties need to meet to provide the opportunity to state the issue(s) clearly and begin work on solutions. The parties are empowered by their participation in the process to affect the outcome. In every case, the parties should attempt to resolve their differences at the level at which the dispute has taken place. Appeals to higher authorities may not be considered until this attempt at resolution has been completed.

- If a conflict arises between a teacher and a student, a conference may be arranged with the parents. Attendance at the conference will be determined by the school administration.
- If the conference does not result in a resolution that is satisfactory to the parties involved, the matter may be considered by the principal whose decision is final and may not be appealed unless the aggrieved party believes that it constitutes a violation of school policy. In that instance ONLY, it may be appealed to the President.
- Local Advisory Boards, the school's chaplain, and parent organizations are **NOT** part of this appeal process.
- Should it become obvious that a parent is unable or unwilling to support the philosophy and policies of the school and/or the implementation of its philosophy and policies, the principal will recommend/require that the parent withdraw child/children from the school.

PARENTAL DISPUTES

As a general rule, Garces will not be drawn into disputes between parents (including custody disputes). In any instance of a dispute between parents (such as over custody of children enrolled at the school), the school will make every effort to remain neutral, and the parents involved in the dispute must make every effort to resolve the dispute between themselves, and to keep it away from the school environment. Individual parents are prohibited from directing any requests to the school or staff members for information or assistance that is designed or calculated to give that parent an advantage in his or her dispute with the other parent.

Curriculum

INTRODUCTION

Garces Memorial High School embraces Catholic educational philosophy. Christian values and traditions of the Catholic faith are integrated into the curriculum and all teaching/learning situations, within and beyond the classroom. Guidelines for the curriculum at Garces Memorial High School are developed and implemented in cooperation with the Office of Catholic Education of the Diocese of Fresno. Teachers and school administration review and evaluate textbooks cyclically and sequentially according to specified curriculum areas to ensure that Diocesan standards are met. All subjects will remain aligned to the California State Standards and Diocesan Religion standards. Further specifics regarding the curriculum can be provided by the principal.

ESSENTIAL, CORE CURRICULUM

Garces Memorial High School provides complete academic instruction in essential core curricular subjects: English/language arts, reading/literature, mathematics, science, history/social studies, physical education, and theology.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Students with identified learning disabilities may receive **reasonable** accommodation to assist with their academic success. Such accommodations may include added time to complete class work or homework, preferred classroom seating, minimizing distractions, etc. These accommodations will be discussed on an individual basis with the family, teacher(s), counselors, and administration. Garces will determine what constitutes a “reasonable accommodation” in its sole discretion and in a manner that is consistent with the Catholic mission and Identity of the school.

Families with students coming from a public school with an already-established IEP (Individualized Educational Program or Plan) or a 504 Plan are advised that such plans relate to public school; if a family wants the full implementation of an IEP (or full access as outlined in a 504 Plan) from the public system, they must enroll the student in public school. Catholic schools’ endeavor to work with the public school and the family to address whatever needs they can in terms of an IEP or 504 but are only required to implement **reasonable** accommodations.

THEOLOGY CLASSES, SACRAMENTAL PREPARATION, AND WORSHIP

- Garces Memorial High School provides daily religious instruction (Catechesis) that educates children every year, at every grade level, in the four pillars of the Catechism of the Catholic Church: The Profession of Faith, The Celebration of the Christian Mystery, Life in Christ, and Christian Prayer.
- Each school day begins with prayer in the classroom. Opportunities for community and personal prayer are offered throughout the school day (e.g., Assembly, Lunch Blessings, Dismissal Prayers). Prayer services celebrating the church calendar are offered throughout the school year.
- Mass is celebrated as a school community weekly. Theology grades may be affected if student is not in attendance for Mass
- Opportunities for the sacrament of Reconciliation and adoration are offered to students.

FIELD TRIPS

Faculty members may arrange, in collaboration with and approval of school administration, field trips of an interesting and educational nature for their students. See also "VISITING THE SCHOOL ANDVOLUNTEERING".

TEXTBOOKS

Textbooks are purchased by parents according to the specified books used in each scheduled course.

Academics

PARENTS AS PRIMARY EDUCATORS

As the primary educators of their children, parents are expected to make frequent use of FACTS to monitor student progress and to take the initiative to contact teachers should they develop a concern.

HOMEWORK

Homework is assigned for the purpose of applying and reinforcing concepts, skills, and values being learned in the classroom. Homework supports and enhances previously introduced material and is a valuable way of fostering good, independent study habits. Homework is an effective method for enrichment and extending the curriculum beyond school hours.

MISSING ASSIGNMENTS DUE TO ABSENCE

- Missing assignments are the student's responsibility.
- When absent, students are expected to keep up with their assignments. Upon returning, students must be prepared for class. Students should refer to their teachers' Google Classroom, contact a classmate or teacher to receive the necessary assignments. It is the student's responsibility to get assignments from their teachers.
- Students who are absent for any reason have a minimum of one day for each class period absent to make up the missed assignments, quizzes, or tests. For example, a student who was absent three days would be given three school days to complete the missed work. *(Any additional days will be at the discretion of the teacher and Principal).*
- All assignments, including quizzes and tests, must be made up by the end of the unit or module to which they pertain.
- If a student must leave school prior to the last day of school, an incomplete grade may be given in any affected subject areas. The principal has final and absolute discretion to determine the conditions and terms governing such absences.
- The school calendar provides for extended weekends and vacations throughout the school year. Parents are encouraged to schedule trips or family outings during these times to eliminate the need to interrupt a child's learning process.

LATE ASSIGNMENTS

Garces Memorial High School recognizes that completing assignments on time is an important part of academic responsibility and prepares students for the expectations of college, career, and adult life. Timely submission of work supports student learning, allows teachers to provide meaningful feedback, and helps students remain current with course content.

Students are expected to:

- Complete and submit all assigned work by the established deadline.
- Review assignment directions and due dates carefully.
- Communicate with their teacher as soon as possible when circumstances may prevent the timely completion of an assignment.
- Take responsibility for obtaining and completing work missed because of an absence.

PROGRESS REPORTS

Progress reports are emailed home weekly. It is the responsibility of the student and parent to inquire at progress report time as to the steps which should be taken to correct any deficiency. Families are reminded that the progress report is not a report card but rather an indication of progress to date in a specific area. Eligibility is determined by the grades from October, January, March, and May reports only.

REPORT CARDS

Report cards are given twice a year at the end of each semester. They will be emailed home. If a student is absent 12 class periods in any course, he/she may be denied credit for that class for the semester. A grade of "I" will be recorded for that class and a meeting comprised of the Dean and Assistant Principal will be scheduled to determine whether the "I" will be recorded on the official transcript as an "F" and the student will be denied credit for the course. Students who are denied credit must make up the course work during summer school.

PARENT-TEACHER CONFERENCES

Parent-Teacher conferences may be held at the request of a parent, teacher, or counselor. There may be other times throughout the year that the parents or teacher deem a conference necessary. The student may be requested to be present at this conference. Parents are encouraged to take the initiative to keep themselves informed of their child's progress. Parents may request a conference through their student's counselor. Parents will be notified of their assigned conference time and are requested to notify the teacher as soon as possible if a change is needed.

ACADEMIC/BEHAVIORAL PROBATION

- If a student receives a grade below (2.0) in academics, or if a student does not maintain a grade point average of (2.0) or higher on semester report cards, she/he will be placed on academic probation.

- If a student receives unsatisfactory grades in either conduct or effort on semester report cards, or consistently disrupts the learning environment of the classroom, she/he will be placed on behavioral probation.
- The Dean of Students will contact and inform the parent(s)/guardian(s) of students who are placed on Academic/Behavioral probation.
- Students will remain on academic or behavioral probation until the next progress report or report card is issued: roughly 10-week periods. At that time, students who improve their academics or behavior to the appropriate standing will be removed from probation. If not, they will remain on probation and will be required to attend Mandatory Enrichment. If a student does not remediate her/his academics or behavior after two grading periods, the school administration will reconsider her/his continued enrollment or re-enrollment.

PROMOTION

- Advancement on the high school level shall be determined by the successful completion of course work and acquiring the prescribed number of units.
- Promotion to the sophomore, junior, and senior year at Garces Memorial is conditional and based upon both academic progress and student behavior. A student who receives a G.P.A. of 1.99 or lower on two consecutive Report Cards or does not make satisfactory progress toward receiving a diploma, or has a poor attendance record, or demonstrates inappropriate behavior may be asked to withdraw from Garces Memorial. Should the student not withdraw, the student will be subject to Dismissal. Students must remediate, in summer school, all grades of "F" and/or "I" earned in a current school year prior to the beginning of the following school year unless otherwise authorized by the Assistant Principal. Remediation of courses MUST be done at Garces Summer School and/or Garces Online Program.

This student will address commencement guests on behalf of the senior class. Prior to addressing the graduating class at commencement, the commencement address must be approved by the Garces Memorial administration. A "full semester" is understood to mean the student finished that semester with a letter grade (A-F) in seven (7) or more Garces courses. Course work taken at another institution will not count in determining the student's grade point average, although said course work may be considered for fulfillment of Garces' graduation requirements. Modesty and appropriateness are admittedly a subjective interpretation, but one which we have a duty to uphold. Students should therefore err on the side of modesty and formality and not put school administrators in the difficult position of upholding school standards. Students wearing inappropriate attire to a school dance may be denied admittance.

Student Discipline

GENERAL POLICY

The values of Catholic education are the foundation for all interactions and relationships at Garces Memorial High School. A student is considered at all times and places a member of the Garces Memorial High School student body. This is an honor and privilege and, therefore, students must be conscious of their actions at all times, whether on or off campus, including but not limited to games, dances, rallies, assemblies, service projects, field trips, and other gatherings. Courtesy and respect should be manifested at all times. Any behavior or attitude that stands in opposition to Catholic Christian values, on or off campus, toward anyone in the community, will be viewed as a very serious violation of the school's code of conduct. Garces Memorial High School reserves the right to review and consider instances of student conduct and actions, regardless of when or where such conduct or actions occur, if they express or show an incompatibility with the mission and philosophy of the school; such actions may result in a student being barred from participation in school activities and may subject a student to the full range of disciplinary sanctions up to and including termination of enrollment.

EXPECTATIONS

Students at Garces Memorial High School are expected to conduct themselves according to principles of Catholic Christian behavior:

- To be honest in all dealings with fellow students, teachers, and school personnel;
- To cooperate positively with fellow students, teachers, and school personnel;
- To always respect the person and the rights of all;
- To obtain permission from the proper authority for the use of any of the school facilities or materials (other than those typically used under staff supervision);
- To be courteous, attentive, and respectful when fellow students, teachers, administrators, visitors, or performers address individual classes or the assembled student body;
- To be responsible for the care of all materials loaned to the student for the course of studies during the year; and
- To respect parish and school property at all times.

ACADEMIC INTEGRITY

All incidents of potential violation of the Academic Honesty Policy are the domain of the Assistant Principal and Dean of Students. If a student is found to be in violation of the Academic Honesty Policy at ANY time over their tenure at Garces Memorial, each matter will be dealt with. Personal academic integrity is essential for building community and promoting social justice. To cheat is to act dishonestly or in violation of established rules, procedures, or codes of conduct. In an academic environment, there are three principle forms of cheating:

- Violating the procedures of a test/homework, including, but not limited to, copying answers, accessing test keys, using a copy of a previous test, using notes or materials not allowed, or altering answers on a corrected test which has been returned.
- Plagiarizing, which pertains to the rights of intellectual property; plagiarism is the appropriation of another's ideas and/or language, in part or whole, without necessary assignment or credit. Plagiarism includes copying homework/labs, and quoting, paraphrasing, or summarizing another's written work including sources off the internet or oral statements without proper citation.
- Knowingly enabling another student to cheat.

Acts of Academic Dishonesty Include:

- Cheating: The use OR possession during the testing period, of any unauthorized means or method that could result in an unearned elevation of academic scores for yourself or another student, especially for tests, quizzes, homework, and class projects. Violations may result whether the instructor observes its use and include but are not limited to possession of "cheat sheets", writing on hands/clothing/objects etc., unauthorized electronic devices, and/or programmable calculators.
- Plagiarism: Representation or allowance of one person's words or ideas as the words or ideas of another person and not properly giving proper credit to the author of those words or ideas. This includes copying from textbooks, other students work, research books, internet-based research, or any other source, written or not. This also includes the act of rewording information while keeping the ideas of another author without proper citation. Proper citation must include citation within the paper/work itself AND at the end of the paper/work. Even cases involving only one copied word or one copied idea, insufficiently cited COULD result in a ruling of academic dishonesty. Unless explicitly directed otherwise by the individual instructor, the MLA format is the proper method for citation for all work at Garces. The Online Writing Lab at MLA format protocols. While it is not feasible to provide a catalogue of every conceivable other form of academic dishonesty, in addition to the general descriptions above, the following list is provided as a guide. All examples involve an attempt to deceive others in an effort to gain results from academic accomplishments without the application required to earn these results ethically.
- Artificial Intelligence: Teachers determine how and if AI may be used for each assignment in their classes. They may ask students to submit AI conversation transcripts and may use AI-detection tools as well as their knowledge of a student's work to assess authenticity of any assignment. Generative AI may only be used with teacher permission and knowledge. Using AI to complete or submit assignment as original work, to gain an unfair academic advantage, to violate a teacher's directions, or to create harmful content is prohibited and will be treated as academic dishonesty.
- "Padding" a bibliography or work cited page with citations never read.
- Using the same paper to fulfill requirements in two different courses without the prior approval of the instructors involved.
- Not following additional guidelines for academic honesty as defined by any instructor or department.

Consequences of Academic Dishonesty:

- First Offense—The student will be required to meet with the Dean of Students and serve in ATS for 1 period of the class of occurrence. The students will be assigned 2 Friday Morning Detentions and 1 week suspension from all co-curricular activities. The student will receive a score of zero on the assignment/exam. The Dean of Students will notify the parents of the incident and explain what future

course of action the school will take should the student be found again in violation.

- Second Offense—The student will receive a score of zero on the assignment/exam. The student will appear before the behavioral review board with consequences up to and including dismissal from Garces Memorial High School. Add consequences to the Discipline Matrix.

These procedures are cumulative throughout the student's stay at Garces Memorial. Any offense and subsequent offense may become part of the student's behavioral file for the entire term of his/her enrollment at Garces Memorial, irrespective of the time period between offenses. In each case the Assistant Principal will notify the Dean of Students, counselor and course instructor of the incident and resolution. Violations of the Academic Honesty Policy do not become a part of the student's permanent transcript record. Families of affected students who dispute the findings of the Assistant Principal and Dean of Students may request an informal hearing of the Behavior Review Board. At this meeting the student, Dean of Students, and other authorized Admin will have the opportunity to present. Should the student, parent or instructor filing the accusation not accept the verdict, any appeal will be made to the principal. The principal, in her sole discretion, may bring the matter to the Behavior Review Board that will make a recommendation for the principal's consideration after a hearing. Alternatively, the Principal may consider the appeal without a hearing.

VANDALISM

Students and their parent(s) are liable for all damage to equipment or school property caused by the student and appropriate disciplinary actions will be taken. Disciplinary actions will be given accordingly.

HARASSMENT AND BULLYING

Garces Memorial High School affirms the Christian dignity of every person, the right of each person to be treated with respect and is committed to providing a learning environment that is free from harassment/bullying. Harassment/bullying of or by any student is prohibited. Every school will treat allegations of harassment/bullying seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner. Allegations that are substantiated may result in disciplinary actions, up to and including dismissal.

1. Harassment/bullying is unacceptable conduct that is deliberate, severe, and repeated. Conduct that falls under the following categories that is not repetitive may, at the discretion of the principal, still be subject to the same consequences/sanctions as ongoing conduct. Harassment/bullying occurs when an individual is subjected to treatment that is hostile, offensive, or intimidating based on such factors as an individual's sex, race, religion, color, national origin, or physical or mental ability. Harassment/bullying can occur any time during school, school related activities, and outside the school. It includes, but is not limited to, any of the following:
 - A. Verbal Harassment/Bullying: Derogatory, demeaning, or inflammatory words, whether oral, written, or electronic;
 - B. Physical Harassment/Bullying: Unwanted physical touching, contact, assault, deliberate impeding or blocking of movements, or intimidating interference with normal work or movement;
 - C. Visual Harassment/Bullying: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, pictures, web pages or

gestures;

- D. Sexual Harassment/Bullying: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Such conduct includes, but is not limited to, the following: sexually demeaning comments, sexual statements, or jokes; suggestive or obscene letters, phone calls, texts, or email; deliberate, unlawful physical touching; leering, gesture, or display of sexually suggestive objects or pictures.
 - E. Cyber-Harassment/Bullying: Willful and repeated harm inflicted on other persons through various forms of electronic media; provocative material, pictures, images, or attempts to be harmful or cruel to another student or individual through offensive electronic distribution using a cell phone, camera, the internet, or other electronic devices; or sexting (the sending, receiving, or forwarding of sexually explicit messages, photographs or images between digital devices or the sharing of such communication with others).
 - F. Hazing: Any method of initiation, pastime, or amusement engaged in with respect to a student organization which causes, or is likely to cause, bodily danger or physical harm, or tends to degrade or disgrace a student attending the school. May be a one-time occurrence and not be ongoing.
2. Any individual seeing or hearing about any incident of harassment/bullying is encouraged to follow the procedures below. If the harassment/bullying stems from any employee, the person being harassed/bullied is to contact the principal (unless it is the principal, then contact the president) and the superintendent in cases of diocesan schools.
3. The following procedures are to be followed for filing and investigating a harassment/bullying claim:
- A. Students who feel aggrieved because of conduct that constitutes harassment/bullying should, depending on the severity of the conduct, directly inform the person engaging in such conduct that such conduct is offensive and must stop.
 - B. If the student does not feel comfortable with the above, is unable to do so, or the offensive conduct does not stop, he/she shall direct his/her complaint to the principal or to a member of the school staff, who will then report it directly to the Dean of Students. Parents of students involved are to be contacted as soon as possible and will be kept apprised of the status of the response efforts of the school as those steps are undertaken.
 - C. The student(s) alleging harassment will be asked to complete a written complaint and meet with the Dean of Students. The claim will be investigated thoroughly, and confidentiality will be maintained to the extent practicable.
 - D. The investigation will include a meeting with the student alleged to have harassed/bullied, sharing with that person the nature of the allegations, as well as the name of the person bringing the allegations. Where the school deems it appropriate, witnesses may also be interviewed. Once the facts of

the case have been gathered, the principal, and administrative team, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment/bullying and can include all disciplinary actions up to and including immediate expulsion; if appropriate, law enforcement may also be contacted.

- E. If a party disagrees with the decision, he or she has the right to appeal the outcome to the President
4. If the complaint is against a non-employee or non-student, such as a parent, volunteer, or vendor, the school will take steps, within the extent of its power, to investigate and eliminate the problem.
5. **REPRISAL AND/OR RETALIATION:** Reprisal or retaliation against any complaining student or witness, by any student or parent, is strictly prohibited. Any student or parent who engages in such a reprisal or retaliation will be subject to an appropriate disciplinary response, up to and including immediate expulsion from the school.

CONTROLLED SUBSTANCES

Garces Memorial High School emphasizes a commitment to a positive, faith-based environment for learning and the continued good health and safety of its students. Therefore, students, on or off campus, may not be in possession of, under the influence of, and/or use controlled substances, look-a-likes, or paraphernalia, nor engage in solicitation or distribution thereof.

The term “controlled substance” for the purposes of this handbook typically refers to any illegal drug, marijuana, alcohol, tobacco, tobacco products, e-cigarettes and vapor products, or the intentional misuse of prescription medication. The intentional misuse of other types of substances may also be addressed under this policy, at the discretion of the school administration. A full listing of drugs that are illegal under federal law can be found in the Controlled Substances Act (21 U.S.C. §§ 801, et. seq.).

The school expects parents and students to support all policies on the use of controlled substances:

- Parents/guardians and older siblings or family members are legally and morally responsible any time they provide to or allow the use of controlled substances by underage minors.
- Students may not possess, solicit, use, or be under the influence of controlled substances or paraphernalia, on or off campus, or at supervised or unsupervised activities or events.
- Students may not host an event where controlled substances are present or used.
- The presence of students any time-controlled substances are used or distributed presumes some level of participation and may result in the same consequences as those using or distributing the substances.
- Students participating in any activities, real or pretend, involving paraphernalia or “look-alikes” associated with controlled substances may be subject to disciplinary action.
- Students may not sell or distribute any controlled substances on or off campus.
- Any student (or parent/guardian on behalf of a student) who freely approaches a counselor, administrator, teacher, coach, or other staff member for help regarding a controlled substance problem will be assisted in the spirit of counseling (unless the student is found to

be using the counseling mechanism to avoid disciplinary action). However, this “spirit of counseling” will require strict adherence to all policies regarding controlled substances; requirements will be handled on an individual basis at the discretion of the administration.

- The presence of students at after-hours school events (such as school or parish fundraising dinners) where alcohol is served to adults does not constitute a violation of this policy.

Upon at least reasonable suspicion that a student has violated this policy, any of the following actions may be taken, as deemed necessary by the school:

- Parent(s)/guardian(s) will be notified.
- A search of the student’s belongings (backpack, bag, clothing, car, electronic device, etc.), desk, locker, or cubby may take place.
- The student may be suspended from school pending an investigation.
- The student and parent(s)/guardian(s) will conference with the principal and/or other school officials.
- The student may be asked to be drug tested once or periodically at a location approved by the school; the cost of drug testing is the responsibility of the parent(s)/guardian(s).
- The student may be placed on a behavior contract which may include professional evaluation, counseling, involvement with a support group, rehabilitation if recommended by the evaluation, random drug testing, and any other provision deemed necessary by the school administration.
- The student may be suspended following an investigation.
- The school may ask the parent(s)/guardian(s) to withdraw the student.
- The student may be expelled
- Law enforcement and/or child protective services may be contacted.

Disclaimer: Nothing in the school’s controlled substance policy should be construed to mean that, as a result of this policy, Garces Memorial High School has undertaken a duty to detect, prevent, or treat drug or alcohol use by students, even if such use becomes apparent.

RIGHT TO SEARCH

While students possess the right of privacy of person and personal effects, that right must be balanced against the school’s responsibility to protect the health, safety, and welfare of the whole school community. Because school officials have a legitimate interest in personal safety and protection of all students within their care and custody, the school administration reserves the right to conduct searches when there is reasonable suspicion that the search will reveal evidence that the student is violating the law or school policies. School officials do not need a warrant or permission from a parent or guardian to conduct such a search.

School officials therefore reserve the right and responsibility to conduct, and a student must submit to, a search of his/her person, automobile, clothes, bags, cell phone, and electronic equipment when reasonable suspicion exists. A search of a student’s person would occur only with appropriate supervision by a faculty or administration member of the same sex, and the school will notify the parents/guardians of the fact that the search was conducted. The school also reserves the right to search any area of campus and school property including all lockers and school computers and all

electronic devices. Refusal to comply with a search process will be grounds for disciplinary action, which may include expulsion.

INTERVIEWS BY OFFICIALS

- Law enforcement officers have the right during the school day to interview students who are suspects or witnesses. Child Protective Services representatives may conduct interviews to investigate reported child abuse or neglect.
- Before releasing a student for an interview, the school employee in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification as well as confirm that the interview is being conducted as part of the interviewer's professional duties.
- The school employee in charge will inform the parents/guardians that such an interview will take place, except when law enforcement or the agency has a specific reason not to inform the parents/guardians. In all events, an adult, either a parent/guardian or a school staff member, will be present for any interview unless the student being interviewed elects otherwise.

DISCIPLINARY ACTIONS AND SANCTIONS

The principal and other school personnel may interview students at any time for the purpose of investigation. Parents may not attend such investigations unless they are invited to do so by the principal. The following sanctions may be imposed upon students in the sole discretion of the school in any order:

- Parent and student conference.
- Denial of specified privileges.
- Detention: Students are assigned a detention by a member of the faculty or school administration. Students have one week to serve their detention at different days and times throughout the week. Detention takes precedence over any co-curricular or extracurricular activity. Written notification of all detentions will be given to the student. Failure to serve detention will result in additional disciplinary action including Saturday School. Students assigned to Saturday School will be charged a \$50 fee.
- Behavior Contract: The principal may place a student on behavioral probation; the student and parent will be notified in writing of the reason for the contract, resulting consequences and/or restrictions.
- Suspension (see below).
- Withdrawal: Parents may be given the option to voluntarily withdraw their child rather than face expulsion.
- Expulsion (see below).

Detention

- Students will have a one-week cycle to complete the detention.
- If the detention is not served, further disciplinary action will be applied which may include attending Saturday detention.
- The following are examples of rules violations that result in detention. This list is not all encompassing.
 - Grooming or dress code violations.

- Unexcused tardies.
- Excessive tardies (the fifth and subsequent tardies in a semester).
- Unexcused absences
- Classroom rules violations
- Other school rules violations.

ACADEMIC AND ACTIVITIES SUSPENSION

Academic Suspension

Suspension is a disciplinary action to be used at the sole discretion of the Principal and Dean of Students. Suspension is not intended to be corrective in and of itself; instead, suspension sends the message that the offending behavior does not belong at school. A student may be placed on suspension for serious misconduct or continuing misconduct on or off campus. Suspension is typically served on campus but may be served off campus at the Dean of Students' discretion. Suspension ordinarily should not exceed five consecutive school days. However, a student may be suspended longer than this in certain circumstances which may include, but are not limited to, the following: awaiting results of a pending investigation, awaiting documentation of professional evaluation, or when isolation is deemed to be in the best interest of the suspended student or the community.

Parents will be notified immediately and are expected to pick up the student as soon as possible; parents will remain involved in the process through verbal or written communication or conferencing. A student who has been placed on Academic Suspension will not be allowed to attend classes or participate in any school sanctioned events until the period of suspension has expired and the student has met with the ATS teacher and/or Dean of Students to arrange for readmission to classes. Suspension does not carry an academic penalty, and the student should keep up with classwork and homework. Upon return from academic suspension students will be placed on a behavior contract.

Activities Suspension

Students on Academic Suspension are automatically suspended from activities for the period of the suspension but are not considered to be under Activities Suspension. Activities Suspension is a separate sanction. For all students who are members in leadership organizations (ASB, Link Crew, etc) disciplinary violations that result in Academic Suspension may also result in their permanent dismissal from these groups.

Activities suspensions will vary in length from one (1) to eighteen (18) weeks. During this period the student is eligible to attend as a spectator any extracurricular event (including but not limited to any: scrimmage, game, performance, outside-of-class activity, or competition) in which Garces Memorial High School is a participating school. The student is ineligible to participate in any extracurricular event (including but not limited to any: scrimmage, game, dance, performance, outside-of-class activity, or competition) in which Garces Memorial High School is a participating school. Students who are members in leadership organizations (ASB, Link Crew, etc) may also be permanently dismissed from these groups due to disciplinary violations that result in Activities Suspension.

Since the grounds for suspension ordinarily differ in degree from the grounds for expulsion, parents and students will be informed that continued or repeated misconduct may result in a recommended withdrawal or expulsion.

REASONS FOR IMMEDIATE SUSPENSION

At the discretion of the Principal and Dean of Students, the following offenses committed by students are potential reasons for immediate suspension which may also lead to expulsion. This list shall not be considered as exhaustive:

1. Serious disobedience, insubordination, or disrespect for authority including, but not limited to, the following:
 - refusal to obey school rules;
 - refusal to follow directions.
 - refusal to answer when spoken to directly;
 - giving sharp, rude answers in a disrespectful tone of voice;
 - causing interruption in classroom procedures;
 - cheating, plagiarism, or dishonesty of any kind;
2. Language or behavior which is immoral, profane, vulgar, or obscene on or off campus;
3. Use, sale, distribution, or possession of drugs, alcohol, or any other legally controlled substance or drug or vaping paraphernalia;
4. Injury or harm to persons or property, vandalism, or serious threat to same;
5. Sexual, physical, visual, digital, or verbal harassment/bullying or abuse of staff, students, parents, or guests of the school;
6. Hazing;
7. Fights or the threat of physical violence (can be suspension or dismissal)
8. Sale of any material on school grounds without proper authorization;
9. Unauthorized absence or continued tardiness;
10. Assault with, or possession of, a lethal instrument or weapon;
11. Serious theft or dishonesty;
12. Outrageous, scandalous, or seriously disruptive behavior;
13. Conduct at school or elsewhere which would reflect adversely on the Catholic school or church;
14. Not adhering to the internet use agreement, hacking into the school computer system, or viewing or attempting to view material through the internet that is deemed inappropriate per the Internet Use Agreement; or
15. Sexting (the sending, receiving, or forwarding of sexually explicit messages, photographs or images between digital devices or the sharing of such communication with others).
16. Vandalism and/or destruction of school property or the property of others
17. Falsification of any document, note, message, or phone call.

EXPULSION/ DISMISSAL

Expulsion is an extreme and permanent disciplinary action enacted for the common good; the authority to expel resides solely with the Principal and Dean of Students. Ordinarily, an expulsion is the result of continued disciplinary offenses, on or off campus, that have not been remedied by lesser disciplinary actions such as detention, probation, or suspension. Immediate expulsion could result from actions, on or off campus, which are a violation of criminal law, which are serious enough to shock the conscience or harm the reputation of the school or parish community, or which pose a threat to the health, welfare, or safety of the student or the school community. The student will typically be placed on suspension (see above) if he/she is not already suspended, and parents will be

notified immediately. In the sole discretion of the Principal or Dean of Students, a conference may be initiated to allow for discussion of the concerning behaviors. If a decision is made to terminate the student's enrollment, the parents may be given the option to voluntarily withdraw the student by a specified date. Otherwise, the student will be expelled. Full credit will be given for all work accomplished by the student up to the moment of withdrawal or expulsion. An expulsion decision may be appealed to the president through a written statement that lists specific reasons in support of the appeal. The president's decision on an expulsion appeal is final.

Grounds for Expulsion/Dismissal

Grounds for Dismissal Offenses that may make the student liable for consequences include, but are not limited to, the following:

- Behavior on or off the campus that is in clear conflict with the Christian values for which Garces Memorial High School standards.
- The illegal use or possession of any intoxicant including but not limited to alcohol, illegal performance enhancing drugs, controlled substances, prescription drugs, "Illegal Drugs" or "drug paraphernalia" while on campus, at any school function, or while traveling to or from any such event.
- Distribution or sale (intent or actual) of any amount of the above-mentioned substances.
- Theft
- Possession or use of knives, guns or other devices reasonably construed as a weapon while on campus, at any school function, or while traveling to or from any such event.
- Any behavior that can be construed as posing a physical threat to any member of the Garces Community.
- Serious and/or multiple Violations of the GMHS Technology Acceptable Use Policy (AUP).
- Breaking an agreed upon behavior contract.
- Continued failure to respond to corrective actions.

DISCIPLINARY RECORDS

Disciplinary records are private documents of the Dean of Students and are kept separate from the student's cumulative file and will not follow the student beyond enrollment at Garces Memorial High School; they are not available to students or parents.

Extra-Curricular Activities

STUDENT COUNCIL

A student serving on Student Council may be relieved of his or her duties or position either permanently or for a stated time at the discretion of the principal.

SOCIAL EVENTS/DANCES

Garces Memorial High School sponsors supervised social events and dances to help students develop appropriate social skills in a Christian, Catholic context. Such events will be held on school or parish premises and are only open to students enrolled at the school unless guests are approved and have completed the guest permission slip. A fee may be charged. Rules and guidelines will be published prior to any event.

Athletics

ATHLETIC TEAMS

An athletic fee of \$150.00 (Football \$200) is charged per player, per sport. This fee covers the cost of tournament fees, equipment, uniforms, and referees.

ATHLETICS CONDUCT, ELIGIBILITY AND PARTICIPATION

Goals of the Garces Memorial Athletic Department

- To provide athletic opportunities that will help fulfill the Philosophy and Mission of the school.
- To attract and involve as many students as possible.
- To instill in athlete's self-discipline, responsibility and commitment to personal excellence.
- To ensure that Garces athletes represent their school, their team and themselves in a positive manner.
- To help Garces athletes attain the proper balance between athletics and their educational pursuits.
- To have Garces athletes and their parents assume the responsibility to comply with the following regulations.

IN-SEASON RULES FOR ATHLETES

- Athletes will follow all rules set by the coach.
- Athletes will attend all practices and contests, as designated by the coach. The coach must approve excused absences prior to the missed practice or contest.
- Detention takes priority over all athletic events including practices and contests. Athletic teams count on the support of each member of the team for every competition and therefore members of athletic teams must avoid committing violations of the Expectations of Student Conduct that will result in detention. Athletes will serve detention on all practice days even if this results in their missing all or part of that practice.
- An instructor, in consultation with the coach, may request that a student stay after school to discuss a behavior problem or to have the student complete academic work before attending a practice. Athletes who do not fulfill these academic or behavior responsibilities may be withheld from a practice or game.
- Athletes are responsible for school equipment issued to them and will return it at the time and place designated by their coach, immediately following the end of their season of sport.
- Parents will be billed for replacement costs if a student fails to return or damages athletic equipment. The athlete's privilege to continue participation in Garces athletics may also be limited or denied.
- Athletes will travel to and from off-campus contests on school transportation, when school transportation is provided, unless prior arrangements are made with the coach and Athletic Director. Athletes who will not return to Garces on school provided transportation must submit a written note to the coach, signed by the parent, stating that the athlete will return with an adult. Athletes may not leave the site of an athletic contest with another athlete's parents without prior written parental permission.

- Students may be required by coaches to participate in off-season and pre-season workouts in order to participate during the regular season. If these workouts conflict with other school sponsored activities or school vacation dates, the student may choose which activity to attend without consequence. If the student is currently competing in a season of sport, participation in workouts for another season of sport will be optional and may not have consequence.
- Athletes who violate in-season rules may be suspended or removed from the team by the coach, in consultation with the Athletic Director.
- Athletes will always conduct themselves in a manner that reflects positively on Garces Memorial. This includes language, demeanor, and sportsmanship.

ATHLETIC ELIGIBILITY

Athletic eligibility will be in accordance with CIF rules. A student may compete in Interscholastic Athletics if they earn/receive a GPA of 2.0 or higher. Grades earned as an Instructional/Attendance Aide are not used in computing the G.P.A., and do not qualify as an instructional course. A student may compete if the student has a G.P.A. below 2.00 at the most recent grading period, IF the student had a G.P.A. of 2.00 or better in the grading period preceding the most recent grading period. However, the student will be on Athletic Probation and must earn a 2.00 G.P.A. or better at the next grading period to remain eligible to compete. The G.P.A. is determined from the following grading periods: Progress Report Card and Semester Report Card. The Second Semester G.P.A. may be affected by summer courses (requires Administrative Approval) as Ineligible athletes may arrange for a practice agreement with the Assistant Principal in accordance with academic policies. The practice agreement may allow students to practice but not participate in competitions and may have other restrictions. Eligibility and ineligibility dates based on posted grades are determined by the Assistant Principal. The Athletic Director will notify students and coaches when changes to eligibility status occurs.

ATHLETIC INFORMATION FOR TRANSFER STUDENTS

There can be no specific discussion of participation in athletics until AFTER a transfer student has submitted a Transfer Application. Once a student has been officially enrolled, the student must obtain a "C.I.F. Transfer Athletic Eligibility Application" form. The form is to be completed and returned, to the Athletic Director who will submit the form to the C.I.F. The C.I.F. will then determine a student's athletic eligibility.

NCAA INITIAL-ELIGIBILITY

The NCAA Initial-Eligibility Clearinghouse has on file the list of courses offered at Garces for the purpose of determining intercollegiate eligibility. Students will have access to Core Course GPA online portal that they may access through their counselor. This program will calculate a students NCAA core GPA to determine eligibility for college athletics.

PARTICIPATION IN SPORTS/FEES

All student-athletes must complete and turn in a Garces Memorial Athletic Clearance Packet before they will be permitted to participate on a team. The completed packet is due prior to the first day of practice, including summer school or off-season workouts. Please note that the Diocesan insurance

policy does not include dental coverage. Parents may purchase additional medical and dental insurance coverage through Myers Stevens. All students who participate in athletics are required to pay an athletic fee. The athletic fee is \$200 for football, \$150 per sport excluding Football. The football athletic fee is \$200 because it includes a year of tackle football insurance. The athletic fee is not intended to deprive any student from participating on a team if they cannot pay the fee. If a student approaches the coach regarding not being able to pay the athletic fee, the coach is to notify the athletic director immediately. The athletic director will determine the need for assistance.

CONFLICT RESOLUTION

If there is a conflict or question of playing time, conduct, enforcement of rules, etc. between a coach and a player, these steps should be followed until there is a resolution:

- The player speaks with the coach.
- The player and the player's parent(s) speak with the coach.
- The player and parent(s) meet with the coach and Athletic Director.
- All appropriate parties meet with the Principal.

ATHLETIC LETTERING

- The requirements for earning a letter will be established by the coach in each sport, in consultation with the Athletic Director.
- Athletes who quit or are removed from a team for academic or disciplinary reasons will not be eligible for a letter or other awards in that sport.
- Athletes promoted to the varsity from underclass teams during playoffs will not be eligible for a varsity letter, but they may receive other varsity acknowledgments; for example, championship patches, team pictures, etc.
- All decisions concerning lettering will be made by the coach of the team, in consultation with Athletic Director.

CONDUCT OF PLAYERS DURING GAMES AND PRACTICES

Athletes are expected to conduct themselves appropriately at all games and practices. Athletes are expected to represent Garces Memorial High School in a manner that exemplifies good sportsmanship, pride, and respect. Athletes displaying inappropriate behavior will be removed from the game and face disciplinary consequences.

CONDUCT OF PARENTS AND FANS

- Parents and fans are expected to demonstrate good sportsmanship and respect for the coach, athletes on both teams, and other parents and fans.
- Parents should not offer coaching instructions to their children during practice or game.
- Parents should not confront coaches with demands or complaints concerning strategy or playing time for their children during a game. Instead, parents are asked to observe a 24-hour cooling off period after a game before contacting the coach with a concern.
- All children are to be supervised by an adult during games and practices.
- Parents and fans must comply with requests from coaches, the athletic director, the principal, or other site-supervisors during a game or practice; if compliance is not demonstrated, the participants will be asked to leave the premises.
- Non-compliance with the above guidelines may place the enrollment of the students in jeopardy.

PLAYING TIME

Playing time is the prerogative of the coach. Players cannot expect to play in games if they have not been attending practices and giving 100% effort throughout these practices.

REPORTING INJURIES AND SPECIAL LIMITATIONS

Parents and athletes must report all injuries to the coach as soon as possible. Before the sports season begins, parents should discuss with the coach any special limitations their child may have. Any sports limitations should be listed on the student's Medical Release Form on file with the school.

CONCUSSION

Please see the section titled "Concussion Policies" following the "Health and Safety" section.

COMMUNICATION WITH COACHES

- Players are to report all injuries to the coach, and athletic trainer as soon as possible.
 - Students should express any concerns to the coach first before involving parents.
 - If student concerns are not resolved after speaking with the coach, parents should contact the coach to express concerns.
 - If resolution cannot be achieved, all parties should involve the athletic director.
 - The principal should only become involved if none of these steps has achieved resolution.
- Decisions of the principal in athletic matters are final.

UNIFORMS

Sport uniforms must be turned in within a week of the last game of the season. Uniforms must be laundered and bagged, and the bag should be labeled with the athlete's name. Uniforms may only be worn during games and not during practice. If jerseys and equipment are not turned in one week after last game of any given sport season, the student will be charged for the cost to replace jersey and equipment.

TRANSPORTATION

All drivers who are transporting students to sports events must follow all school volunteer driver regulations. All students who require a ride to any school-sponsored sport activity must have written authorization from their parents/guardians allowing them to ride with drivers the parents/guardians have authorized. No student may ride in a car to or from a school-sponsored game with an adult who has not been pre-authorized by his/her parents/guardians. If transportation is not provided by the school, the parent has the responsibility to get the student to and from the sporting event.

PARENT PARTICIPATION

All parents/guardians of athletes are required to sign up for work hours in the snack bar, at game entrance, or score keeping for league games/tournaments held at Garces Memorial High School.

Health and Safety

IMMUNIZATIONS AND STUDENT MEDICAL EXAMINATIONS

Referenced in the ADMISSIONS section.

SCHOOL INSURANCE COVERAGE

All Garces Memorial High School students are covered by insurance for injuries incurred on the school grounds, during school-supervised activities, and to and from school and school-supervised activities. The registration fee includes coverage by the Myers-Stevens and Toohey Company for all students. In the event of an injury, parents may obtain a claim form from the school office. The injury must be brought to the attention of the office the day the incident occurs. This coverage is secondary to family primary insurance coverage. Insurance information is sent home the first week of school to familiarize parents with the coverage.

ILLNESS AND NOTIFICATION

- Parents should notify school office personnel on the first day of a child's illness.
- Parents should notify the school immediately if they receive a diagnosis that their child has a communicable disease.
- Students who are obviously sick or feverish may not attend school; a child must be fever-free for 24 hours before returning to school.
- An absence of three or more days requires a doctor's note upon the child's return to school.
- If necessary, a conference with the Counselor and Assistant Principal to discuss a student support plan will occur.

MEDICATIONS

- The school does not provide medications of any kind.
- Students are prohibited from having any medications, prescribed or over the counter, on their persons on school grounds, and all such medications must be kept in the school office. If a student's condition potentially requires epi-pens for severe allergic reaction or inhalers, the school will develop a plan with the parent and physician for the maintenance and potential use of those medications.
- Prescribed or over-the-counter medications must be brought to the school office by the parent in the original container and medication release form must be completed and turned into the front office.
- Only in RARE instances will the school permit a student to take medication at school. The parent is urged, with the help of the family health care provider, to work out a schedule of taking medication outside of school hours. The only exceptions involve special or serious problems where it is deemed absolutely necessary to take the medication during school hours.
- If it is essential that medications be administered at school, these medications must be administered from the school office only.
- NO member of the faculty or staff in the school office is permitted to administer any medication without the following:

1. A signed written statement from the parent or guardian of the child
2. A written statement from the physician detailing the method, amount, and schedule by which the child will come at the designated time with specific instructions included for emergency treatment if an allergic reaction should occur.
3. All medication must be kept in its original container which must be clearly identified with a prescription label with the child's name, drug identity, dosage instructions, physician's name, and prescription date (for over-the counter medications, the original commercial container will suffice); the prescription must be current (and over-the-counter medications within the expiration limits).
4. Medical treatment is the responsibility of the parent and the family health care provider. While office personnel will make every attempt to administer medications as requested, the school will not be held responsible for missed doses or misadministration of any kind.

MEDICATION FORMS

The school office can provide the appropriate medication forms that cover the above requirements. These forms must be updated annually. A new form **MUST** be completed by the physician and parent each school year if the need continues.

ILLNESS AT SCHOOL, INJURY, AND FIRST AID

Should a student become ill or injured, the school will make every effort to contact the parent(s) of the student for information and instructions. However, the school may contact emergency agencies (911) first depending on the nature of the situation. This action does not obligate the principal or the school to assume financial responsibility for the treatment of the student.

- All injuries to the head, no matter how small, must be made known to the parent as soon as possible.
- Students who become ill or injured at school may leave the school on their own with parent permission. Parents (or other designated adult on the emergency form) are required to pick up an ill or injured student as soon as possible after being notified if the student cannot drive themselves.
- In the case of an injury at school, school staff will render first aid, with or without parental consent, using a reasonable and ordinary standard of care.
- If a student is stabilized, school staff will await instructions from parents or emergency staff regarding further action.

STUDENTS WITH SEVERE ALLERGIES

Families with students who have identified severe allergies should work with the school as follows: allergies should also be listed on the student's emergency card.

- Provide written notification (health record) to the school of an at-risk student's allergies that pose a serious threat to the student.
- Confer with qualified school representatives to develop a plan that *reasonably* accommodates the at-risk student's needs throughout the school campus and facilities.

- Provide the school with written medical documentation, instructions, and medications as directed by a physician or health care professional.
- Provide properly labeled medications and replacement medications, as required after use or upon expiration.
- Review policies/procedures with the school representatives, the child's physician, and the student (if age-appropriate) after a reaction has occurred.
- Provide and update current emergency contact information.
- Educate the child in the self-management of his/her allergy including the following:
 - safe and unsafe foods and exposures
 - strategies for avoiding exposure to unsafe foods or other items such as sharing foods with others or consuming food or drink where ingredients are unknown
 - symptoms of allergic reactions
 - how and when to tell an adult he/she may be having an allergy-related problem
 - how to read food labels (if age-appropriate)

MANDATED REPORTING

Garces Memorial High School is legally required to comply with the *Child Abuse and Neglect Reporting Act*. Those employees of the school who are designated "mandated reporters" by law are responsible to report suspected occurrences of child abuse or neglect to the proper authorities (Child Protective Services, police department, sheriff department, etc.). Although such reports are typically confidential, if a parent/guardian discovers the identity of a school employee who made a report of child abuse, the parent/guardian may not retaliate against the employee in any way for making the report.

STUDENT THREATS OF HARM TO SELF OR OTHERS

Garces Memorial High School will treat student threats to inflict harm to self, to others, or to destroy property, very seriously. Practical jokes or offhand comments of a threatening nature will be considered serious and will be investigated. Threats that are substantiated may result in disciplinary actions, up to and including dismissal.

- Anyone hearing or becoming aware of any threat is to report it directly to the principal or his/her designee.
- Threats of harm to self will be treated differently than threats of harm to others.
- The student making the threat will be removed to the office and kept under adult supervision at all times; the student may be suspended pending an investigation.
- All threats will be reviewed and investigated in a prompt and thorough manner, and the investigation will be kept confidential to the extent practicable.
- If the threat is judged credible and serious, the principal will notify the following groups/individuals of the threat: parents, potential victims and their parents, the Office of Catholic Education, and the police or health care professionals as appropriate.
- The student will not be allowed to return to school until the investigation has been completed and final disciplinary or therapeutic action, if any, has been determined.
- If the principal, after investigation and consultation, determines there is sufficient evidence of a risk of harm by a student, to others, and/or to property, the principal will continue the

student's suspension and not consider the readmission of the student to the school until appropriate counseling which is acceptable to the school occurs; the guidelines for this procedure will be handled on an individual basis.

- In some cases, the nature and credibility of the threat is such that the principal may request withdrawal of the student, or expel the student, without possibility of returning to the school.

PREGNANCY – HIGH SCHOOL

Human life at all stages, including the preborn child, is a sacred gift from God, and an abortion is never an alternative at any stage of pregnancy. Students who become pregnant deserve and need the full support of the school administration, teachers, and other students.

- Ordinarily the expectant student shall be allowed to remain in school.
- The school will continue to assist the student through graduation, including the ceremony and other related activities. However, if attendance in the classroom is judged not to be in the best interest of the student or the school community, other arrangements will be made. Counseling will be required of the students involved.
- Any student who publicizes and advocates an abortion either planned or already obtained will be asked to leave school.
- This policy pertains to the boy or girl directly involved, or to any student continuing to spread rumors about an alleged abortion.

PARKING LOT SAFETY

Families are required to observe the following guidelines to provide a safe, quick, orderly, and consistent dismissal and arrival process:

- Drivers should not exceed 5 mph while driving on campus.
- Children are to exit/enter vehicles from the passenger side ONLY during the morning.
- Parents must not deviate from the prescribed drop-off and pick-up locations and procedures *even if it appears safe* as these have been carefully determined to keep students out of traffic lanes. See DROP-OFF and PICK-UP PROCEDURES in ATTENDANCE above.
- All instructions of supervising staff must be followed at all times.

SEVERE ILLNESS OUTBREAK

If the school administration should decide that illness among students and/or staff is severe enough to make the running of the school either unsafe or infeasible, school will be closed until safety and feasibility can be reasonably restored. Interim steps prior to the closing of school may include any of the following measures:

- Custodians will disinfect surfaces and door handles.
- School administration, office staff, and extension staff may act as substitute teachers.
- Classes may be combined.

Concussion Policy

CONCUSSION DEFINITION

A concussion is a complex injury that causes a disturbance in brain function. It usually starts with a blow to the head, face, or neck, and is often associated with temporarily losing consciousness. However, it is important to understand that a blackout is only one possible symptom. When an athlete suffers a concussion, the brain suddenly shifts or shakes inside the skull and can knock against the skull's bony surface. If left untreated, a concussion can lead to a slow brain bleed.

SYMPTOMS

The signs and symptoms of a concussion can be subtle and may not show up immediately. Symptoms can last for days, weeks, or even longer. Common symptoms after a concussive traumatic brain injury are headache, loss of memory (amnesia), and confusion. The amnesia usually involves forgetting the event that caused the concussion. Signs and symptoms of a concussion may include:

- Headache or a feeling of pressure in the head
- Temporary loss of consciousness
- Confusion or feeling as if in a fog
- Amnesia surrounding the traumatic event
- Dizziness or "seeing stars"
- Ringing in the ears
- Nausea
- Vomiting
- Slurred speech
- Delayed response to questions
- Appearing dazed
- Fatigue
- Loss of consciousness
- Seizure or convulsions

The injured person may have some symptoms of concussions immediately. Others may be delayed for hours or days after injury:

- Concentration and memory complaints
- Irritability and other personality changes
- Sensitivity to light and noise
- Sleep disturbances
- Psychological adjustment problems and depression
- Disorders of taste and smell

With a loss of consciousness, it is clear that emergency medical services are needed. However, the non-blackout symptoms listed above must not be ignored. Unfortunately, a pervasive mindset in some sports is that getting "dinged" is part of the game and the athlete needs to tough it out. This

thinking is dangerous because it exposes the child to further injury when his or her brain needs a rest and prevents him or her from obtaining a proper medical assessment as soon as possible.

FOLLOWING INJURY

The following steps must be followed (by the athlete, parents, teammates, and coaches) whenever an athlete has experienced a bump or blow to the head or body and evidences any of the symptoms or signs of a concussion:

1. Remove the athlete from play immediately.
2. Call 911 and/or administer first aid as appropriate.
3. Inform the athlete's parents or guardians about the possible concussion and provide them with the CDC fact sheet on concussion.
4. Ensure that the athlete is evaluated by a health care professional.
5. Keep the athlete out of play and practice the day of the injury and until a health care professional, experienced in evaluating for concussion, states in writing that the athlete can safely return. The arrangements and cost of the health care provider are the responsibility of the parent.
6. Athlete should limit all forms of physical activity.
7. Athlete should minimize the use of all electronics (including cell phones, computers, TV, etc.) and be in a quiet atmosphere as much as possible. Social interaction, sporting events, concerts, etc., can all have a negative impact on recovery.

***"Health care professional" means a physician of medicine, physician of osteopathic medicine, licensed nurse practitioner, licensed physician assistant, or licensed physician of psychology; any of these medical professionals MUST have had training in neuropsychology or concussion evaluation and management.

RETURN TO SPORT

Players with even the MILDEST concussion symptoms should NOT return to a game or practice. They should be assessed by a physician immediately. If symptoms do not appear until several hours after the game, the child should still seek medical assessment. UNDER NO CIRCUMSTANCES CAN AN ATHLETE RETURN TO PRACTICE OR GAME WITHOUT CLEARANCE FROM A MEDICAL PROFESSIONAL.

Anyone who has suffered a concussion needs to rest the brain until all the symptoms are gone. This means the athlete should be able to read, do math, and think at his or her usual pace with no headaches, fatigue, or other symptoms. This can mean a few days resting at home, not doing schoolwork, and refraining from any exercise.

There is no timetable chart to follow; each athlete needs a treatment program tailored to his or her symptoms and circumstances. Younger children seem to take longer to recover than adults, and it is not unusual for children to be out of sports for a month after suffering a concussion. If a player suffers one concussion, he or she is more likely to sustain future concussions. Researchers believe the younger the child, the more vulnerable the brain may be to these repeat concussions.

SECOND IMPACT SYNDROME

If someone with a concussion too hastily returns to contact sports or activities, a second concussion can result in Second Impact Syndrome — a potentially fatal condition. Second Impact Syndrome is when another blow to the head (even a minor one) results in the brain losing its ability to control its own blood flow, which increases pressure in the head and can lead to death, usually within 2 – 5

minutes. Second Impact Syndrome most often affects young athletes (in junior and senior high school), but any athlete who returns to a sport too soon is at risk.

RETURN TO SCHOOL

Following concussion, NO student may return to school until cleared to do so by the physician. Because the needs for recovery from concussion are dependent on many factors, parents should work with the school and physician regarding a plan for returning to school and full academic work. Students recovering from concussion may not attend field trips, dances, etc., until they have been fully cleared by the physician. Reasonable accommodations regarding gradual re-entry to class and full academic activities may include the following:

- Extra time to complete classwork, homework, and tests
- Reduction of workload
- Postponement of high-stakes testing, large projects, and standardized testing
- Provision of hard copies to limit iPad use or online access
- Wearing of sunglasses for sensitivity to light
- Supervised breaks during the day
- Modified/shortened school day
- Incomplete grades (rather than zeroes) until recovery takes place

In extreme cases, a student may need to be placed on home study.

Information and Communication Technology Policies

ONLINE SOCIAL MEDIA AND NETWORKING POLICY FOR PARENTS AND STUDENTS

Garces Memorial High School recognizes that many different social networks exist on the Internet (Twitter, Facebook, and Instagram, among others). Millions of people, including students and parents, utilize one or more of these networks daily for both professional and personal purposes. These services provide different methods of communicating and interacting with other users, in both public and private ways. These tools include message and photograph posting, emailing, instant messaging, group discussions, blogging, and video/photo sharing.

Due to the popularity of social networking sites and the way they can facilitate effective and efficient communications between users, the use of social networking in connection with Catholic school activities presents many opportunities for enhancing the experience of students and their families. Without proper controls these communications are often unlimited, potentially affording access by unknown third parties (including those who would prey upon young people via the Internet). The nature of social networking sites leaves open the possibility of abuse and misuse (including by students and their parents), necessitating the following standards of conduct for all individuals connected with Catholic schools.

ETHICS AND RESPONSIBILITY

When a Catholic school student or parent is using online social media (of any variety), that individual must always bear in mind that the material he or she posts reflects upon the school, the parish, the Diocese, and the Roman Catholic Church as a whole. As a consequence, it is imperative that all students and parents conduct themselves in an ethical and responsible manner when using online social media. Specifically, the following standards of conduct should be observed at all times:

- Any official organization of the school, such as the School Advisory Board, Parent Club, Boosters Club, etc., may only develop online media with the permission of the school administration. If approved by the school administration, it must be a link from the official website of the school. All materials placed on it must receive prior approval from the school administration. Failure to do so by any organization of the school could result in the organization being disbanded.
- Content that has the potential to be a source of scandal for the Church should never be posted. Examples of such content include, but are not limited to, obscene, harassing, offensive, derogatory, or defamatory comments and images that discredit or cause embarrassment to the school, the Diocese, or the Catholic Church, or to other students, parents, diocesan (school) employees, or parishioners.
- If a student or parent regularly identifies him or herself as a student or parent of the school in a personal website, blog, or social media account, he or she should make it clear on those personal sites that the views expressed there are his or hers alone and that they do not necessarily reflect the views of the school, the parish, or the Diocese. For example, he or she can post the following notice, in a reasonable prominent place: "The views expressed on this site are solely my own and do not necessarily reflect the view of Garces Memorial High School, or Parish, or the Diocese of Fresno."

- The Garces Memorial Crest cannot be used by any other account other than the official Garces Memorial High School social media accounts.
- Students and parents should be ethical and responsible participants in social media. They should always attempt to be accurate, truthful, and respectful in any public postings.
- Students and parents may not use school, parish, or diocesan trademarks, or reproduce any school, parish, or diocesan materials or logos without express permission from the principal, or their designees.

PHOTOGRAPHS AND VIDEOS

Because digital images are easily created and reproduced, photographs and video files are extremely common on the web, and they are freely posted and passed along by users of online social media. It is the policy of the Diocese that privacy concerns, particularly as they relate to images of minors, are to be observed and respected in online social media use connected to its schools.

Garces Memorial High School has no desire to intrude into or restrict the rights of parents and students to freely post personal photographs on their online social media sites as they see fit. If, however, they intend to upload photographic images or video files related to Catholic school activities, then students and parents must all observe the following guidelines:

- Prior permission should be obtained from any third parties depicted in photographic images or video files prior to being uploaded. If individuals decline such permission, their privacy should be respected, and the image should not be posted.
- If photographs or videos, particularly those of minors, are posted with or without permission, and the student or parent asks that it be removed, the student or parent's wishes should be observed.

Discipline for the Policy Above

Failure to observe the foregoing guidelines may result in disciplinary measures being imposed by the school. Discipline in this context will be determined by the school, based upon the particular facts of any incident, but can mean suspension or expulsion (for student misconduct) or involuntary withdrawal of a child from the school (for parent misconduct).

ACCEPTABLE USE OF TECHNOLOGY FOR STUDENTS

To ensure that all students comply with school rules regarding electronic equipment, the following policies and procedures have been established for using school computers, electronic devices, the wireless network, the Internet, and all peripherals. No set of policies and procedures can provide rules to cover every possible situation. Instead, what follows is designed to express a framework and to set forth general principles when using electronic media and services. All policies are inclusive of the use of computers and electronic devices including, but not limited to, iPads and other tablets, the wireless network, the network, the Internet, and all peripherals.

SOCIAL MEDIA USE

Use of social networks at school may be limited by school personnel.

- Students who use social media must adhere to the discipline policies in this handbook, the Technology Use Policy, the Diocesan Online social media and Networking Policy for Parents and Students, and the Harassment and Bullying Policy.
- Students are reminded that they are always Garces Memorial High School students, both on and off campus, and that ALL electronic content is both public and permanent.
- Garces Memorial High School reserves the right, at its discretion, to review and/or request removal of any student's social media content. Failure to comply may result in disciplinary action.
- Permission of the school administration is required for the use of the school's name, initials, logos, pictures, property, or representations of the faculty, staff, students, or other individuals. Deliberate publication or postings of such material on the Internet without permission may result in serious disciplinary action, including dismissal from the school.

USE OF ELECTRONIC DEVICES OWNED OR ISSUED BY THE SCHOOL

- Electronic devices owned or issued by the school are to be used for academic purposes only.
- Students have no reasonable expectation of privacy in their use of the school's electronic equipment or network (or a personal electronic device at school).
- The school reserves the right, upon reasonable suspicion that the search will reveal evidence that the student is violating the law or school policies, to review any student's electronic devices, files, and messages including, but not limited to, email, photos, texts, video, and other applications to ensure compliance with all school rules. Students must comply with all requests for access.
- All users are only permitted to log on to their own school-issued account. Sharing of account and/or account information is prohibited and may result in the account being disabled.
- All users may never move, change, or disconnect any of the hardware or wires/cables.
- Regardless of where it takes place, students have no right to add, copy, delete, or alter any operating system software, application system software, and system setup or equipment configurations of devices owned or issued by the school.
- Use of technology on campus or at school functions or events is subject to inspection and audit by the school administration, which may include a physical inspection of material contained on, or accessible by, the device. Students agree to cooperate with any such inspection.
- All students must agree to abide by the following Acceptable Use Pledge.

ACCEPTABLE USE PLEDGE COVERING ELECTRONIC DEVICES

- I will use my iPad and my other electronic devices in ways that are appropriate, educational, and meet Garces Memorial High School expectations as outlined in the Parent/Student Handbook.
- I will use appropriate language when using emails, journals, blogs, or any other forms of communication.
- I will not create, or encourage others to create, discourteous or abusive content.
- I will not use electronic communication to spread rumors, gossip, or engage in any other activity that is harmful to other people.
- I understand that my iPad and school computers used by me are subject to inspection at any time without notice and remain the property of the school.
- I understand that my other electronic devices (including but not limited to my cell phone) are subject to inspection at any time based on a reasonable suspicion that they contain information pertinent to a violation of law or school policies.
- I will take proper care of my iPad.
- I will never leave the iPad unattended, and I will know where it is at all times.
- I will protect my iPad by keeping it stored in the provided case at all times.
- I will never loan out my iPad or give my password to other individuals.
- I will not let anyone else use my iPad other than my parents or guardians.
- I will charge my iPad's battery daily and arrive at school with my device fully charged.
- I will keep food and beverages away from my iPad since these may cause damage to the device.
- I will clean the screen with a soft, antistatic cloth ONLY and will use no cleaners.
- I will not disassemble any part of my iPad or attempt any repairs.
- I will not place decorations (such as stickers, markers, etc.) on the iPad or iPad cover, or do anything to permanently alter the iPad in any way.
- I will not remove or deface the serial number or other identification on any iPad.
- I will be responsible for all damage or loss caused by neglect or abuse.
- I agree to return the iPad, case, and power cords in good working condition.

CONSEQUENCES for VIOLATIONS of INFORMATION TECHNOLOGY POLICIES

Students who violate the rules set forth in these policies will be subject to all customary disciplinary actions, including but not limited to, the following:

- Payment for labor charges and/or parts necessary to undo changes or restore any equipment or system to its proper operating configuration as determined by the network administrator and Garces Memorial High School administration.
- Removal of the student from a course of instruction, suspension, and/or expulsion from Garces Memorial High School.

Transfer, Custody, and Student Records

TRANSFER OF STUDENTS

Students clearly unable to profit from the school by reasons of ability, serious emotional instability or other condition, or the conspicuously uncooperative or destructive attitude of students and/or parent(s)/grandparent(s)/ guardian(s) will be asked to transfer.

- The school will first make reasonable efforts to meet the needs of the student.
- Conferences will be held with the parent(s)/guardian(s) to advise them concerning the possibility of withdrawal for academic or other reasons and to discuss possible remedial actions and/or educational alternatives.
- The final decision is made by the principal in consultation with the Rector, teacher(s), and parent(s)/guardian(s).
- Every effort is made to assist the parent(s)/guardian(s) in finding other schools or agencies with facilities to help the child.

TRANSFER OF STUDENTS BECAUSE OF PARENTAL BEHAVIOR

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of the parent(s). However, the principal may recommend transfer of a student when parent(s)/grandparent(s)/guardian(s) are consistently uncooperative and conduct themselves in a manner that is disruptive of the harmonious relationships in the school, as such conduct is itself a violation of the school's policies. Parental interference in matters of school administration and abusive language toward administration, staff, or teacher(s) are some of the reasons for recommending a transfer. If parent(s) refuse to accept the recommended transfer, the procedures for disciplinary expulsion will be followed.

TRANSFER OF STUDENTS BETWEEN CATHOLIC SCHOOLS

Prior to accepting a student transferring from one Catholic school to another Catholic school, the receiving principal will contact the principal of the originating school to discuss student performance, parent financial obligations, family involvement, etc.

CUSTODY OF MINORS

Unauthorized organizations, agencies, or persons shall never be allowed to assume custody of any student on school premises during school hours or immediately before or after school, unless the assumption of custody is explicitly authorized in writing by the parent(s) or guardian(s).

1. Normally, principals should ask one other adult (e.g. chaplain, teacher, secretary) to witness the presentation of the authorization unless the principal is absolutely certain that the authorization is bona fide.
2. In case of any doubt as to the validity of the authorization, custody shall not be granted.
3. In order to cooperate with student and family needs, the school should be informed of custody arrangements. It is the responsibility of the parent or guardian to inform the school of custody status and subsequent changes and arrangements. The school must ask for legal verification of these arrangements.

4. In the absence of any court order, the school will make every effort to remain neutral, and will assume that both parent(s) have custody of a student, and the student may be released to either parent. As part of this policy of neutrality, any parent claiming a custody right superior to the other parent will be required to present a current and valid court order or agreement demonstrating and explaining that right. Only upon receipt of satisfactory documentation will the school recognize the rights of one parent over the other with regard to a custody provision that relates to the student's enrollment at the school (such as decisions regarding enrollment or who may alter the authorized).

RIGHTS OF NON-CUSTODIAL PARENTS

In the absence of a court order to the contrary, the school will provide all the child's parents, custodial or non-custodial, with equal access to the child and equal access to academic records and other school-related information regarding the child. If there is a court order specifying that there is no information to be given, no contact with the child, etc., it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

STUDENTS NOT LIVING WITH PARENTS OR LEGAL GUARDIANS

Students are expected to reside with their parents or legal guardians. If circumstances arise necessitating a student to live elsewhere, the school must have the parent's approval in writing or a court order. The new location must meet with the school's approval. Students must reside with a responsible adult of at least 25 years of age; this does not include a boyfriend or girlfriend of the parent or guardian.

ACCESS TO STUDENT RECORDS

Custodial Parent(s)/Guardian(s) have access to all permanent records (the Cumulative File) maintained by the school related to their children. Students 18 years of age or older, have this same right of access.

- Permanent records may be withheld for non-payment of fees.
- Parent(s) may request an appointment during school hours to inspect and review the cumulative file for their children.
- The principal or other school staff member will be present for such a review.
- Anecdotal notes (such as a behavioral record) and psychological test results are not part of a permanent record. Parent(s) do not have a right of access to these records, nor do these records follow the student.
- Parent(s) may request and receive a copy of their child's permanent records contained in the cumulative file; parents must allow school personnel a reasonable length of time to accomplish this task. The copy will be clearly marked as a copy. Originals or the original complete file cannot be released to parents at any time. Each page will cost \$0.50.
- The Cumulative File is only forwarded to the next school at that school's request; otherwise, it remains on site.
- Schools will comply with any court order (subpoena) requesting a copy of the permanent records.
