

Garces Memorial High School

Celebrating 75 Years of Excellence in Catholic Education

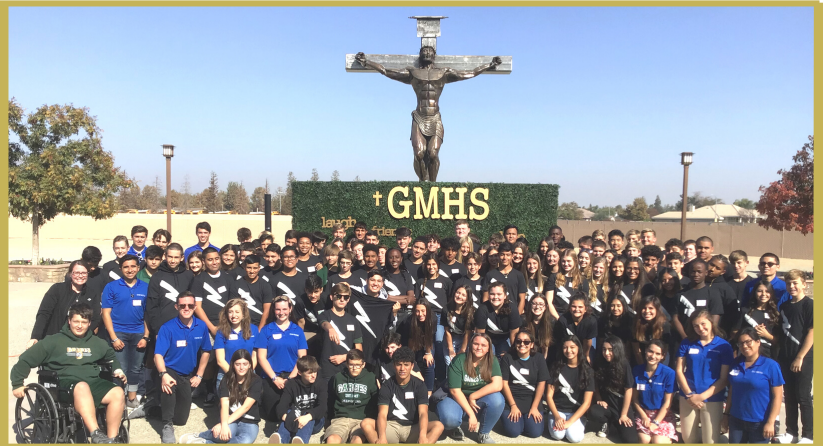

THE ANNUAL FUND

The cornerstone of the Garces Memorial fundraising efforts

The Annual Fund is the school's yearly campaign when we ask for financial support from our community. We appeal to our families of current students, families of alumni, alumni, our parishes, and local business leaders and partners who understand the importance of supporting our community's only Catholic high school.

Did you know?

- Tuition covers only 80% of the day-to-day costs of running our school.
- Garces Memorial is providing over \$1,200,000 in tuition assistance this year which is helping 40% of our families.
- A top priority is to ensure the safety of our students by upgrading existing campus safety and security systems, from the campus perimeter to every classroom.
- Garces tuition = \$13,500 per student. Cost to educate = \$16,300 per student. The Annual Fund bridges the \$2,800 gap in what we charge our families and the actual cost of a Garces Memorial education.
- The Annual Fund is the most cost-effective way to generate revenue for the school.
- **One-hundred percent of your charitable donation goes directly to support our school.**
- **We can't do it without you!**

Investing in our Students

"As seniors given the opportunity to be leaders on campus, we are eager to embrace and uphold the 75 years of rich tradition placed in our care. These traditions continue to unite the uplifting family and community that Garces is. We also hope to instill traditions throughout the 75th year that will influence the next 75 years to come at Garces."

"Garces provides opportunities for our students to flourish and excel. By giving to the Annual Fund you will allow the school community to continue providing for our students academically, spiritually, and socially."

John Mendiburu
Advisory Board Member and Garces Parent

"Serving the students and families of Garces is a labor of love. As a graduate of Garces I hoped that someday I would be able to repay this amazing school for all that it instilled in me. Garces forever changed the course of my life. This school supported, encouraged and required nothing less than 100% of me, both academically and spiritually, while I was a student and I have continued to carry that motto with me through life. I hope that all students who attend Garces will understand the amazing family that they are apart of".
