

# WHAT IS FFA?

*Growing Leaders and Cultivating a Love of Agriculture*

## FFA IS...

A student-led intracurricular organization embedded within the agricultural education model, over 95,000 FFA members make this robust association a leading voice for youth development in California.

## APPLICATIONS:

- Every class has an application and a process to be enrolled in the class
- Pay dues to the national organization (\$10)
- Applications for degrees will be filled out in class (greenhand, chapter, state, American)

## REQUIREMENTS TO BE IN FFA

1. Students entering the Pathways program will be interviewed to address interest and intent to participate.
2. Students must maintain a 2.0 cumulative GPA to participate and remain in the program.
3. Behavioral citations will exclude the student from the program.
4. Student must commit to the Pathways program no later than semester 2 of their freshmen year.
5. Being enrolled in an Ag class requires a 10\$ fee to be an FFA member
