

Welcome TO THE
KERN COUNTY FAIR

JUNIOR LIVESTOCK AUCTION

WHY BECOME A BUYER

The Junior Livestock Auction supports Ag educational programs throughout Kern County. Each purchase directly finances and supports individual youth participants who are working to become future agriculture and community leaders. As a buyer, you help these young participants to finance future animal projects as well as their overall agricultural, general education, and life experiences. Additionally, you receive high-quality, locally sourced food for you and your family to enjoy. Each youth participant spends 3-9 months and countless hours raising and caring for their livestock projects. Learning responsibility and dedication, as well as animal care and entrepreneurship, will benefit them far into their future. Only Market Beef, Goats, Lambs, Hogs, Rabbits and Poultry, that are judged “market- ready” will be permitted to sell at the Junior Livestock. This includes the Grand Champions of each species. Simply stated, it means the best of the best are available for you to purchase!

BIDDING INFORMATION

You must be logged in to sconlinesales.com in order to place a bid. If you are a bid holder, the outline of the lot will be GREEN. If you have been outbid, the outer box will be RED. If you chose to have text notifications during the bidder registration process, you will receive a text message to the verified cell phone number on your profile when you have been outbid. You are able to set a maximum bid that will increase as needed. Sales per head and per pound will end in a horse race style finish, meaning that the time will be extended by a set number of minutes (2 - 4) each time a bid is placed during extended bidding. Example: the clock will rest to 4 minutes and if another bid is received within the 4 minute timer, it will increase to 4 minutes and start counting down again. The sale will end when the time runs out and no new bids were received.
