

**Garces Summer School 2021
Request Form for a Ten Unit Course**

Summer School Information will be release in March on-line

This form indicates your students request to take a ten-unit course at Garces Memorial High Summer School for non-remediation purposes.

For your student to enroll in the 10-unit summer school course, this form must be signed by your student's counselor (and when applicable, the Garces Math Department chairperson) before registering for a class listed below.

All F's must be remediated before taking additional Summer School classes.

Students are only allowed to enroll in one social studies course 9th-12th grade during GMHS Summer School except for remediation*.

Garces Summer School course work WILL be used in computing the Garces Memorial cumulative G.P.A.

Students who are enrolled in G level courses or are an ISP are not eligible to enroll in a ten-unit summer school class.

PART I- Please check the box of the course you are planning to take this summer:

- World History* P (10th grade social science course)
- U.S. History* P (11th grade social science course)
- Government/Economics* P (12th grade social science course)
- Geometry P- requires signature approval from the Math Dept. Chairperson and enrollment in Algebra II P for the 2021-2022 Academic Year- **Prerequisite to enroll in this summer course is a grade of B @ 3rd Quarter progress report.**
- Algebra 2 P-Requires signature approval from the Math Dept. Chairperson and enrollment in Math Analysis P for the 2021-2022 Academic Year- **Prerequisite to enroll in this summer course is a grade of B @ 3rd Quarter progress report.**

PART II- Write the name of the course you would like to take to replace the above course with in the 2021-2022 school year (note automatic Math enrollment listed above). Please provide an alternative in case your first option does not work with your schedule.

First Choice _____ Second Choice _____

I understand that I must inform my counselor by **Friday, May 28th about the courses listed above.**

Print Name _____ Current Grade Level _____ Student Signature _____
